## Berean Graduates – Answering God’s Call to Serve

Ruth English School was opened this month by our graduate in West Bengal State. The children of this community of 500,000 Muslims have little access to education with a great number of children working in brick factories. Eighty children are now enrolled in Kindergarten!

There is not even one church in this area. Would you help support a pastor \$100 a month to plant a church and reach the lost in this Gospel starved place? Will you pray for the souls of this district?

The harvest truly is plenteous, but the labourers are few; Pray ye therefore the Lord of the harvest, that he will send forth labourers into his harvest.

I visited these beautiful children at their school dedication. It is a wonderful opportunity to reach many with the truth that Christ died for their sins, forgiveness is possible, they can be free from spiritual darkness! Please help these children learn about Jesus Christ.
