**Dear Pastor and Praying Friends,**

What a blessing it was to host the mission team from the Light House Baptist Church, St. Louis, MO. Keith Gillming, Pastor! During their visit, they worked in construction and ministry. The highlight of the week was our C&C retreat "Faith can Move Mountains!" During their visit 7 trusted Christ as Savior!

Over 100 children participated in this year's VBS, where they learned to Fish with Christ! The weeklong event saw 11 children respond to the call to salvation! Praise the Lord for a great group of kids and faithful workers!

Praise the Lord for two evangelistic campaigns put on by the Bible Baptist church in Tabladita, during the months of August and September. The target communities were Alto Tajibos and Los Chapacos. For two nights in each place, our evangelism team preached, sang, put on dramas and gave testimonies. The events were preceded by door to door invites! 5 were saved!

On the last night of the campaign, we were set up in the street. During a message on the uncertainty of life, we suddenly heard screeching tires as a car hit a young man on a bike at the corner. The driver tried to escape, but the bike was caught up under the car. He sped past where we were sitting and up the street about a block before stopping. The young man survived. His name is Rene, please pray for him and his family. The crowd returned and was *very attentive* afterwards. 2 were saved! God is good!

Yours for Bolivia souls, Paul and Barbara  
Thank you for your prayers and support!
