

Dear Pastor and Church Family,

November 4, 2011

We appreciate the Lord and what He has allowed us to accomplish this term. Time has flown by while God has blessed us greatly here in Moldova. In August we completed our 14th year here on the field, but decided not to take our furlough because the Lord was working mightily here and we did not want to miss it. A few weeks ago we received the news that my father is in the 4th stage of lung cancer and was given only 4 months to live. My mother is in need of my help, so we are returning to America on November 14th and we are only planning on being there for 6 months.

We also covet your prayer for our 4 orphan boys that we have living with us now, they are struggling with the fact that we have to leave them for so long. We are leaving them with capable people from our church that will care for them, but that will not replace us, their new Dad and Mom. Please pray they will hold strong to the Lord and grow in His grace and knowledge while we are gone.

While I am home I am planning to report to my supporting churches and perhaps get into some new churches as time may allow while helping to care from my Dad. At this point we do not have a place to stay or vehicle to use for traveling, would you please join with us in praying that the Lord will provide what He feels we need. If you are interested in having me in your church to report our work here, you can call our home church at 330-477-3438 or e-mail me at moldovamissions@hotmail.com.

Thank you so much for your care, prayers, and support for the work of the Lord here in Moldova. May God richly bless you with souls for your labor.

In His Service,

Bro. Paul Hamilton and Family
