Dear Pastor McDonald and Church Family,

June 2017

"So then faith cometh by hearing, and hearing by the word of God." Romans 10:17

A little over ten years ago we brought our first printing press into Mexico for our Scripture printing ministry, El Sembrador (The Sower). Pastor Juan Montaña was a commercial printer for well over twenty years before he graduated from our Institute and became Pastor of Iglesia Biblica Bautista (Bible Baptist Church) here in Cauhtémoc. His son, Juan Jr., now directs the El Sembrador ministry. There are now fifteen Independent Fundamental Baptist churches cooperating with El Sembrador in Mexico that act as distribution centers, sending the printed Word of God to missionaries and other churches. Scripture portions are given free of charge, and through love offerings, most of the shipping costs are defrayed.

Several other more efficient printing presses have been imported as well as two others that were acquired here in Mexico. Other print shop equipment has been donated including two large hydraulic paper cutters that are now in El Paso awaiting importation. In addition, several years ago, twenty-four 1,000 pound rolls of paper were donated and imported into the country. That amount of paper is sufficient to print over two hundred fifty thousand John/Romans booklets. Recently several hundred thousand pre-printed John/Romans covers were donated. We gratefully praise the Lord for all of this supply of the needs of the El Sembrador ministry over the years. Many souls have been saved and continue to be saved through the printed Word.

Our paper supply is almost depleted. As a result, we have a great need for paper for the printing ministry. Over the years, we have been able to supplement the print shop funds from our personal support, but now that is not possible. For the cover supply that we now have, we have an immediate need of a minimum of ten rolls of paper at about \$600 per roll. That would print a little over one hundred thousand John/Romans. Before the end of the year we will need a like amount. There are other needs that are not so great.

We would like to ask you to prayerfully consider a donation to the El Sembrador ministry. That would be a great investment in souls and we could keep our presses producing the Word of God in Mexico. All funds donated will be used exclusively for the El Sembrador ministry here in Cauhtémoc.

Bearing Precious Seed, Milford, Ohio, will purchase the paper for us and ship to El Paso so we can take it through Mexican customs into Mexico. BPS Milford printed over eleven million Scripture portions last year so they purchase huge amounts of paper at much better prices than we ever could.

If you can, please send funds to First Baptist Church at the address on our letterhead above. Checks should be made out to "Warren Klenk" and below add "for escrow account for paper purchases". We are grateful for the Lord's provision for our ministry over almost 20 years in Mexico. Our desire is that we might be a channel through which many souls can be saved.

Warren and Joanne
