September 2017

Dear Pastor McDonald and Church Family,

"Call unto me, and I will answer thee, and shew thee great and mighty things, which thou knowest not." Jeremiah 33:3

PAPER PROJECT UPDATE: In our June letter, we asked for prayer in our project to purchase \$6,000 in paper for our "El Sembrador" Scripture printing ministry in Mexico. That would be enough paper to print John/Romans for half of the quarter of a million beautiful four-color covers recently given to us. That goal was been reached. PRAISE THE LORD for answering that prayer so rapidly!

A larger, more efficient printing press is also needed to print larger quantities of Scripture portions for Mexico and other Latin American countries. Several such presses have been made available to us. PLEASE PRAY WITH US for the Lord's wisdom in selecting the best press and for the ability to get that press to El Paso and then into Mexico through Mexican customs.

Our little print shop is not large enough to handle larger amounts of paper and larger equipment for the printing process. The church is praying and giving for an addition to our building that would accommodate a larger print shop on the first floor and a dormitory for Bible Institute students on the second floor. PLEASE PRAY WITH US for the Lord's wisdom in planning and constructing this badly-needed addition.

Pastor Juan Montaña recently informed me that the church has decided to start a Christian day school as soon as possible. We are very grateful to the Lord for this evidence of spiritual growth in the church. PLEASE PRAY FOR PASTOR JUAN as he leads the church in this new step of faith.

Shortly after we left Mexico, we began to have problems with our email and then our whole laptop. After going more than two months without a computer, it was determined that repair was impossible. Immediately, the Lord led Pastor Bob McDonald (Fair Haven Baptist, Westland, Michigan) to purchase for us the finest laptop that I have ever had. Now I have the challenge to be a good steward of what the Lord has given us and use it for the Lord's glory. Thank you, Pastor McDonald and church, for this wonderful expression of your love for the Lord and his servants.

One more prayer request. The church is now praying for a pickup. A very large amount of money could be saved if we had our own truck to bring paper and equipment into Mexico. Very expensive brokerage and truck fees could be saved. The truck would be used only for church and printing ministries. PLEASE PRAY WITH US for the Lord's wisdom and provision.

We have been greatly blessed in recent months. Thank you for giving and praying for us as we serve the Lord here.

In Christ,  
Warren and Joanne
