

The McCutchen's
Missionaries to São Paulo, Brazil

Dear Pastor and Praying Friends,

March 6, 2018

God is tremendously blessing **Apoio Ministries!** The generosity of God's people is providing Pastors Silvio, Zenildo and Carlos with the necessary funds to build works. In all three works, many souls are coming to Christ! In Itacarambi, Pastor Carlos needs more laborers who will provide bible studies for the new converts. The people are so hungry for the Gospel that Pastor Carlos is conducting church services every day in the people's homes throughout the city. Dana and I will be visiting these three church planting works in April and May, seeing firsthand the impact that these men of God are making in their communities.

The works in Paraisópolis and São Bernardo continue to see new growth. São Bernardo's visitation program is called, "**Evangelism in Action.**" It's so encouraging to see more families getting involved in spreading the Gospel! The **day school** in Paraisópolis is steadily growing which means fewer children on the streets being recruited by the drug cartel. Dana and I will be holding teaching seminars to train new teachers for the Sunday School and church services. Another area of spiritual growth is our **English Outreach Ministry.** Our students are eager to practice their English skills on us. We love this ministry outreach that provides so many opportunities to reach others with the Gospel in São Paulo.

Pastor, if I could choose one word to describe how Dana and I feel, it would be "**blessed!**" Thank you for all you and your people do for the cause of Christ! Your prayer and financial support is having an eternal impact throughout the world, especially in Brazil!

Thankfully received,

Till He Comes Again,
