**LET US HOLD FAST THE PROFESSION OF OUR FAITH WITHOUT WAVERING (FOR HE IS FAITHFUL THAT PROMISED)**

Dear Pastor and Church:

January - February, 2018

The Nieto family would like to thank all those who pray for our ministry so that we can fully proclaim the Word of God to souls in the country of Mexico. And, through this ministry of establishing Churches giving as well the opportunity for souls in other parts of Mexico and the world to hear of the grace of our blessed God and Savior Jesus who made the peace with God through the blood of His cross.

By the grace of God, we continue carrying forward the ministries of Betel Baptist Church of Delicias, Mexico of winning souls. How great and sweet a blessing it is to see the Holy Spirit touching lives and people being saved and beginning to attend the services of the church, being baptized, and start growing spiritually in the ways of Christ. How grateful we are with all of you that are asking to God use this ministry to be a powerful weapon in Christ's hands for the destruction of the strongholds of the devil that have the people in the misery of sin; we know that only Jesus Christ can do that miracle.

We ask you to continue praying for the ministry of the Biblical Institute of our church. We have started a new school year, and the brothers have a very good spirit. Thank God that the new students have begun their preparation to serve the Lord, and we are happy for that because clearly the Bible says that the greatest need that this world has is for workers of Christ who carry the good news of salvation to them.

People are hungry to hear of the blessed Word of God, but although there are sheep to be shepherded, the shepherds are missing to shepherd them. And, although there are fields ready to be harvested, the reapers are missing to prevent the harvest of souls being lost. There are fish in the nets, fishermen are missing to take out the nets, that is why we are happy to see in our church brothers and sisters surrendering their lives for the most precious work to win souls for Jesus. We pray that God helps each church to hear the voice of the many souls who say: Who will shew us any good? And, because our God is merciful and gracious, longsuffering, and abundant in goodness and truth.

And, we thank God that by His grace God gives us the blessing to help others to prepare to serve Christ our Lord.

We want to ask your help for these prayer requests. We have had time for prayer and fasting asking our heavenly Father for His will and blessing upon these petitions:

- For the power of God over our lives for the sake of the salvation of lost souls of Mexico.
- For spiritual growth in the life of the Christians of the church here in Delicias.
- For the 6 brothers who are called to serve God and are preparing in the local Institute of our church; may God give them a heart more like Christ and provide their needs.
- For a land and resources to build a building for the church to be established here (the land costs \$8,000 US dollars).
- For the young couple who has already come to work with us (because of my health problems) who are being very blessed. They have a servant's heart and are being of much help and blessing here. May God bless them, use them, provide for their needs, and may God give them the requests of their hearts.
- For the places in our country of Mexico that still have no one to preach them about Jesus (there are many places like that)
- For my surgery of the spinal column that will be done Lord willing on March 7th, 2018. For the protection of God over my family and the church.

Brothers, we want to thank you sincerely for all the care you have for us and the ministry in which by the grace of God you as a church allow us to represent you in this missionary field of Mexico. Thank you very much for your prayers and your financial support. God bless you.

... When he saw the multitudes, he was moved with compassion on them because they fainted, and were scattered abroad, as sheep having no shepherd.... Matthew 9:36

We did receive the support from your church faithfully. Thank you very much.
