**Dear Pastor and Church:**

**February 2017**

Greetings in the precious name of Christ from the mission field of Delicias, Mexico where we have the privilege and honor of reaching souls for Christ through preaching the precious gospel of the Lord Jesus Christ.

Thank God that we are receiving from God the opportunity without any restriction from the government of knocking on doors, passing out Bible tracts on the streets, and preaching the Word of God at the church services.

We are so thankful to God and for all of you that are helping us through prayer and financial support because we are seeing that what we are doing for His work is having results with people saved with a desire to leave their wrong sinful way to convert their lives to God. And, in doing so, they give their best to Jesus who did rescue them from the hell and from a vain life serving Satan. PRAISE THE LORD, GOD IS SO GOOD.

We ask you that please keep praying for us that God may use us in the preaching of the Word of God to the lost souls of this very needy country of MEXICO. The need is great because people need to hear about the love of God in Christ Jesus for salvation before the time of the death COMES TO THEM.

Bethel Baptist Church, Fundamental Independent, keeps going forward, growing spiritually and in number as well. We ask your prayers for the School of Scriptures that we have here at our church (Bethel Baptist College). The six students that have surrendered their lives to serve God full time are doing ok with their lives, with trials and a lot of persecution from their unsaved family. They have a heart of love for God to continue their training to be workers on a mission field, PRAISE THE LORD BECAUSE THE HARVEST TRULY IS PLENTEOUS, BUT THE LABOURERS ARE FEW. Please help us by praying that God would meet their need of work to supply the needs of their families. Thank you.

What a blessing it is to see the Word of life working into the hearts of the people. Please keep on praying that someday soon we would be able as a church to send missionaries from our own Christians to reach all those villages and ranches that we have around this City of Delicias. We have a lot of villages without any opportunity to listen the Word of God, because they do not have a preacher, and **how shall they hear without a preacher? Romans 10:14**

I and my family want to say thank you so much sincerely with all our hearts for your help through your prayer and financial support that month by month we are receiving from you. It is so precious and important to us because your help keeps us doing all the work that we need to do to reach more souls and take care of the new converts with the Word of God in a more focused way.

Please remember that you have a part in what the LORD is doing here by HIS PRECIOUS GRACE, and thank you for having a heart of being co-laborers with us in reaching the LOST SOULS OF MEXICO FOR CHRIST JESUS through establishing fundamental local independent soul winning and missionary Baptist churches to Christ.

Thank You So Much and God bless you.

Yours for souls,

The Nieto family (Arnulfo, Olaya, Liz, Yoani and Estefany)
