Dear Pastor McDonald and Church:

December 2011

Warm greetings in the precious name of Christ.

How good is God! His goodness and protection have been a great blessing to our ministry of church planting in Mexico. God has shown His grace to us in a special way touching hearts and lives that really surprised us being saved and completely changed from the way that they had been living. Well, the Word of God says: "For the kingdom of God is not in word, but in power" (1 Corinthians 4:20). It is not what we do, but what God does through what we do that the world really needs. Dear Church, thank you for making possible our work for Christ in this place where we are seeing God's hand reaching souls for Heaven and this young church learning to walk with Christ. The sacrifice you are making to support missionaries around the world and our ministry here in Mexico – let us tell you that it has not been in vane. Some day, you will see the fruit of your sacrifice, and you will rejoice for eternity having part in the Mexican souls that will be in heaven. God has blessed Parral, Mexico with new Christians who were lost, without God, but now, with Christ, loving God and are fervent witnesses to Christ's love to this city. You have made this possible.

Brothers, do not get tired of doing well in winning souls for Jesus. This world has no hope if we that have the truth of the gospel of the Grace of God do not give beyond our forces (our lives, our prayers and our money) to support missionaries who are the hands and feet of Christ's body to bring the gospel where Christ is not known yet.

We should not allow the economic situation to stop us from continuing to support missionaries. We should not sacrifice the offering for missions to meet our own needs. It would be better to live without the things we think that we need than to live without the special blessing that God gives to those who support the missionaries; as David said, "Because thy lovingkindness is better than life." Our church here in Parral has many needs, but we have not stopped supporting the missionaries. We are going to have our Missions Conference January 6th, 7th, and 8th, and we are praying that God will give us the heart to do more for world missions, and we are praying that God will call more laborers from our church, as we believe what Jesus said, "The harvest truly is plenteous, but the labourers are few."

Thank you for loving Christ and lost souls. We wish you a Merry Christmas and a new year full of blessings.

By the Grace of God, The Nieto family.

We are receiving your support faithfully. Thank You!!
