DEAR BRETHREN:

Merry Christmas from the beautiful mission field of the Philippines!

In October, worship services every night by the roadside. We set chairs at the opposite side of the street for people who pass by. Many come to know Christ!

In November, Debbie & Denise help out w/Bible studies while students wait for their turn to use internet. We have 6 computers. 30 students by average come daily.

Jay, a freshman, loves to read Scripture. He wasn't interested before.

In December, we'll give rice and medical mission to 500 people on street evangelism. Homeowners allowed our street closed.

Send your love gifts to:
