MISSIONARIES TO

January—March 2018

Dear Praying Friends,

Village

While we have been in the States on furlough, God has been busy at work in Uganda. Patrick, the man who is leading the ministry while I am away, helped organize an evangelistic conference in the village of Bobi the week before Christmas. For five days, people prayed, preached, and went door to door soul winning. He reported that two hundred people received Jesus as their Savior. Please pray as we follow up with these people.

Radio

We praise the Lord that many people have donated to the radio ministry as we have traveled on furlough. So far the Lord has given us over \$18,000 so we can begin construction when we return to Uganda. We will need at least \$25,000 to get the tower set up, a studio put in, and security added.

Family

We are so thankful the Lord allowed our children to attend our sending church's academy for the fall semester of 2017. However, we have needed to go back to home schooling this semester so we can easily make the transition back to Uganda in a few weeks. We appreciate your prayers as we tackle the many challenges that can come with educating our children overseas.

Health

As many of you know, I had an appendectomy back in May the first day we arrived in the States to begin this furlough. However, I've had some continued health issues. While in Houston in October, I experienced some symptoms that closely resembled a heart attack, and I went through many tests. The doctor there ruled out heart problems, but back in Minnesota I was told the symptoms were coming instead from my gall bladder. I had that removed in November. We covet your continued prayer for health as we head back to Uganda.

Furlough

By the time we return to Uganda on March 19, I will have reported to 37 churches and traveled almost 37,000 miles on furlough. Among all the churches that I've visited, I have seen a delightful spirit, a humbling generosity, and an eagerness to press on to further God's work. Thank you for your prayers for God's protection and provision.

Prayer

- Patrick as he continues to lead the ministry while we are on furlough
- Growth for those who have been saved
- Safety as we finish furlough and head back to Uganda
- Getting settled again in Uganda

Yours for Uganda,
