MISSIONARIES TO

April-June 2018

Dear Praying Friends,

Family

We were thankful to be able to finish our furlough in March and finally get back to Uganda. When we arrived in Gulu, the first thing we did was to assess the damage the thieves had caused while we were away. They left almost nothing unturned; it took us an entire week just to put the house back in order. That same week, we discovered that our fridge, washer, and generator were not working any more, either. We praise the Lord for His provision and grace during those difficult days.

Radio

Several weeks before coming back to Uganda, we were finally able to purchase a radio tower, and we praise the Lord that the pieces for the tower were already lying in our yard when we arrived home. However, before we can erect the tower, three government agencies need to give their approval. In order, they are Civil Aviation, the National Environmental Management Authority, and finally, the Gulu Municipal Council. We've been told that it could take several months for us to get this approval. Please pray that we will be able to get this needed approval more quickly than that. Once the tower is in place, we will be able to begin broadcasting immediately.

Ministry

When we came back from furlough, we encountered a few problems within the church body. These problems centered around a certain man in the church who was using the church name for his own profit (long story). Thankfully, however, there has been a spirit of forgiveness, love, and restored unity in the church. A couple of weeks ago, several people stood after the church service and publicly asked for forgiveness. We praise the Lord for this. Please pray for continued growth for our faithful church members.

Institute

Please pray for our Bible school May 7-12. I will be teaching the book of Hebrews and a class on the cults. Several cults exist within our town of Gulu; please pray that our people will learn to discern truth from error.

Praise

- Three new churches picked us up for support while on furlough.
- Our children are adapting well to being in Uganda once again.

Prayer

- Continued growth of our church members
- Finishing our home school year well

Yours for Uganda,

The Wright family
