Dear Pastor McDonald,

June 2018

The month of April was a month of anniversaries. Iglesia Biblica Bautista celebrated its 21st anniversary here in Cauhuémoc. We had the privilege of working with Pastor Arnulfo Nieto when that church was started.

In April Joanne and I celebrated 50 years in full-time service for our Lord Jesus Christ. Through all of those years the Lord has never failed us. He has always been faithful to us. These have been the greatest years of our lives.

Health issues have begun to dictate the course of our future here in Mexico. After much prayer, we have begun the most auspicious project and test of our faith in our 21 years here. In our desire to leave a lasting soul-winning ministry here, we have begun with plans to construct a two-story addition on the remainder of the church lot. The first floor will be attached to our present print shop, almost doubling our present print shop area. The second floor will be used primarily for dormitory space for our Bible Institute. For me, this will give the church a constant soul-winning opportunity through the printed Word of God being distributed in Mexico and other Latin American countries. The Bible Institute will provide daily soul-winners, taking the Word of God to the one hundred fifty thousand inhabitants of Cauhuémoc and to graduates serving as pastors and missionaries in this Spanish-speaking part of the world.

How is this going to happen? We are asking the Lord to give us \$30,000, at least \$20,000 of that amount before the end of September. We already have \$11,000 of that amount. Is this asking too much? We believe our Lord desires to see many more souls added to His kingdom before He comes back for His own, so we are claiming two verses from His Word: Matthew 19:26; "But Jesus beheld *them*, and said unto them, With men this is impossible; but with God all things are possible," And Jeremiah 32:17. "Ah Lord GOD! behold, thou hast made the heaven and the earth by thy great power and stretched out arm, and there is nothing too hard for thee."

Please pray with us for the Lord's guidance and His provision in this soul-winning endeavor.

Warren and Joanne
