

**The McCutchen's**  
**Missionaries to São Paulo, Brazil**

Dear Pastor and Praying Friends,

August 17, 2018

In our last prayer letter, I mentioned the opportunity that Dana had in witnessing to Veronica and her two 7-year-old twins. It wasn't by chance that we found them begging for food outside of a Burger King here in São Paulo.. We ministered to their physical needs, then shared with them their spiritual need of Jesus' Saving Grace! Veronica, her husband, and five children live in a one room shack about an hour from São Paulo. Pray that we can soon minister to her husband and other children.

When our people in the favela heard about this life transformation, they were ecstatic and were encouraged to be more assertive in their soul winning. I hesitate to mention the area of our church neighborhood because of the increasing danger that our people face daily. Even in adversity, the Lord is abundantly blessing this work! Five new converts took the baptism classes and followed the Lord in baptism last month. Anderson and Allesandra are two dedicated workers for the Lord who lead the adolescents and young teens to a greater knowledge of God's Word.

The São Bernardo church had their first VBS this past week.

They averaged 65 with many parents attending. They were all so creative and did a spectacular job! Dana and I are rejoic

g that the teachers took what they learned from us and applied it in their VBS program! This is what it's all about — winning souls, discipling, and teaching and training other Christians to carry on with the work! We serve a mighty God! Recently, a group from the church took to the streets and ministered to the homeless, offering food, blankets, clothes, and toiletries. In the end, the Gospel was preached and the Seed was planted!

I have primarily focused on our two works here in Sao Paulo, but in saying that, I want you to know that God is abundantly blessing Apoio Ministries! Pr Carlos in Itacarambi and Pr Silvio in Foz de Iguaçu had funds donated to them which enabled them to rent a building for their

services for the first year! Hallelujah! Thank you to all who had a part in this!

Thankfully received,

Till He Comes Again,

\_\_\_\_\_ March – April

\_\_\_\_\_ May- June
