

Dear Praying Friends,

Back in Uganda!

We have now been back in Uganda for 3 months. We have had one Bible institute class, one wedding, one flat tire, and one more phase of approval to set up the radio tower completed!

One Bible School Class

Once again, in May we had our Bible school. We had students coming from our village churches, from our town church, and a few students from other ministries where they have no Bible school. Our topics for this class were "The Book of Hebrews" and "Cults Found in Gulu, Uganda." I remembered how much fun it is to be able to train these students. I give thanks to God for every day that we get the privilege of being missionaries in Gulu.

One Wedding

Another praise was a young man and young lady from our church getting married. From the time they announced their plan for the wedding until the wedding day was two (2) weeks. So, it was a bit of a rush to get organized, but we got it done.

In fact, the bride was so busy that we weren't able to have a wedding rehearsal. So, during the actual wedding, I just verbally walked them through everything they needed to do. (I felt like a quarterback calling audibles.) But, it went fairly smoothly, and Tonny (pronounced Tony) and Ruth are happily wedded.

One Flat Tire

We had a flat tire. I changed it, and we kept going.

One More Phase of the Approval Process to Set up the Radio Tower

We are praising the Lord that we are one step closer to being able to erect our radio tower! We received the approval letter from the Civil Aviation Authority (CAA)! The next phase is approval from the National Environment Management Authority (NEMA).

The rest of the approval process is kind of complicated, but I want you to be able to pray specifically for this approval. There are still three things that have to happen in sequential order.

1. We need the final approval letter from UCC (Uganda Communications Commission). We will give this letter to NEMA. (UCC has already given us approval; we just need the letter).
2. Then we need final approval from NEMA.
3. Then we need final approval from Gulu Municipal Council.

Also, continue to pray for our family, for safety, and for more young men to be called into ministry!

Thanks for praying,

Yours for souls in Uganda,

Nate, Sara, Andrew, Joseph, Susanna, Caleb, and Daniel Wright!
